	<u>Proposal Title</u>	<u>Location</u>	Planning Commission Rating	Parks Plan References (not exhaustive)	Historic Preservation Staff Comments*
1	Animal Control Center Study	NA at this time	Generally supports goals of City's comprehensive plan	While animal control facilities are not covered by the Comprehensive Plan, the facility sits on land that is owned by Parks and the Parks Plan supports pursuing partnership opportunities (5.9, 5.17) as well as making strategic decisions about the future of facilities (5.3-5.5).	of new construction and/or maintaining current site.
2	Bluff Park Off Leash Dog Area	678 Brown Avenue	Significantly addresses specific goals of City's comprehensive plan	4.3(b)	Likely no impacts to historic resources.
3	Bomb Range	TBD - possible sites would be in the Metro Area but outside the St. Paul City limits	Does not support goals of City's comprehensive plan	Police facilities are not covered by the Comprehensive Plan	NA
4	Cayuga Play Area	198 Cayuga St.; Saint Paul, MN 55117	Generally supports goals of City's comprehensive plan	4.4, 5.3, 5.7	Likely no impacts to historic resources.
- 5	Communications System & Maintenance Building	Energy Park Drive & PSB Garage		Police facilities are not covered by the Comprehensive Plan	Was there a planning project prior to this that considered the adaptive reuse of available historic buildings in order to revitalize a blighted area?
6	Como Park Golf Course Study	Como Regional Park - 1431 Lexington parkway	Significantly addresses specific goals of City's comprehensive plan	5.3, 4.4, 4.9, 4.2	The study must include any cultural resources studies completed in previous years and potential impacts to a Como Park Historic District HP3.6 .
7	Desnoyer Park Safety	525 Pelham Blvd. North	Generally supports goals of City's comprehensive plan	1.6	Likely no impacts to historic resources.
8	Dickerman Park	North side of University Avenue between Fairview and Aldine	Significantly addresses specific goals of City's comprehensive plan	6.1	The building (Midway Griggs) just north of this site is determined eligible for the National Register from the Central Corridor Cultural Resources Study. The HPC should be consulted on the park design so there are no negative impacts to the architectural and historic character of the building.
9	Downtown Play Area Improvements	Fourth Street and Sibley Street	Significantly addresses specific goals of City's comprehensive plan	4.4, 5.4, 2.2; also included in Downtown Station Area Plan	This site is located within the Lowertown Historic District and the proposal must be reviewed and approved by the HPC.
10	Eastern District Community Room Improvements	722 Payne Avenue		Police facilities are not covered by the Comprehensive Plan	The building is part of the Hamm Brewery Historic District that is determined eligible for the National Register. Proposal is on the interior and there will be no impacts to historic resources.
11	El Rio Field Improvements	179 Robie St. E. Saint Paul, MN 55107	Significantly addresses specific goals of City's comprehensive plan	4.3, 4.4, 5.7	Likely no impacts to historic resources.

12	Fiber Optics - SPPD Eastern District and New Payne/Maryland Rec Center & Library	Two locations - 722 Payne and Payne/Maryland	Generally supports goals of City's comprehensive plan	5.10, 2.13	722 Payne is part of the Hamm Brewery Historic District that is determined eligible for the National Register. The proposal will likely not have any impacts to historic resources. Fiber optics at the new Rec Center & Library will also not have any impacts to historic resources, however, the Arlingtion Hills Library is locally designated and on the National Register as one of three Carnegie Libraries. The decision to move the library from this building to a new facility directly conflicts with the HP Chapter (HP1.9, 4.4)
13	Fire Station 19 Expansion	2530 Edgcumbe Road, Saint Paul, MN, 55116		Fire Department facilities are not addressed in the Comprehensive Plan	Likely no impacts to historic resources.
14	· ·	Victoria Street (east boundary), Minnehaha Avenue (north), Milton Street (west), Lafond Avenue (south)	Generally supports goals of City's comprehensive plan	4.3 (community gardens); also included in draft Victoria Station Area Plan	Likely no impacts to historic resources.
15	Grand Round Implementation	City Wide	Significantly addresses specific goals of City's comprehensive plan	6.7, 6.8	The HP Chapter recommends a Context Study for Saint Paul Parks, Parkways and Cultural Landscapes to understand the context in which the public park system was developed. This study should come before implementation so the design of the project is informed by history. HP3.6.
161	Greater Eastside Maintenance Facility	Phalen Boulevard Area	Generally supports goals of City's comprehensive plan	5.3, 2.2	Was there a planning project prior to this that considered the adaptive reuse of available historic buildings in order to revitalize a blighted area?
	Griffin Annex Parking Ramp and Campus	Olive/Grove		Police facilities are not covered by the Comprehensive Plan	Was there a planning project prior to this that considered the adaptive reuse of available historic buildings in order to revitalize a blighted area?
121	Griffin Building Facility Maintenance/Repairs	367 Grove Street, St. Paul, MN 55101		Police facilities are not covered by the Comprehensive Plan	Does not appear that this building has been surveyed as potential as an historic resource. Likely no impacts to historic resources.
19	Griggs Play Area	Griggs Street and Hubbard Avenue	Generally supports goals of City's comprehensive plan	2.2, 4.4, 5.3	Likely no impacts to historic resources.
	Hamline Hoyt Playground and Block Beautification	Hamline and Hoyt	Does not support goals of City's comprehensive plan	5.3 (improvement decisions should be made based on system-wide evaluation – not identified as need in Parks System Plan)	, .
21	Harriet Island Riverwalk	Harriet Island Road	Significantly addresses specific goals of City's comprehensive plan	2.4, 2.3, 2.2	Likely no impacts to historic resources.
22	Henry Park Preliminary	2088 Batavia and 2120 Skyway drive	Generally supports goals of City's comprehensive plan	5.3, 2.2, 2.11	Likely no impacts to historic resources.

23	Highland Golf Clubhouse Restoration	1403 Montreal Avenue Montreal and Edgcumbe	Significantly addresses specific goals of City's comprehensive plan	5.6, 2.14, 3.1	Provided any new contstruction does not negatively impact the historic and architectural integrity of the structure. Restoration work should comply with historic standards. The building is not locally designated or on the National Register but likely eligible, The HPC should be consulted regarding the expansion of this important WPA building. HP 1.9 and 4.4
141	Highland Park Branch Library Renovation and Addition	1974 Ford Parkway 55116		Library facilities are not addressed in the Comprehensive Plan	Likely no impacts to historic resources.
	Historic Highland Old Pool Bath House Re-Use Study	1319 Montreal Avenue Montreal and Edgcumbe	Significantly addresses specific goals of City's comprehensive plan	5.6, 2.14, 3.1	HP4.3, 4,4
76	Indian Mounds Regional Park Play Area	Earl and Mounds Blvd.	Significantly addresses specific goals of City's comprehensive plan	4.4, 5.4	The Indian Mounds are a state archaeological site and any improvements should respect those features.
27	Lower Landing Dog Park	(no answer)	Significantly addresses specific goals of City's comprehensive plan	4.3	Likely no impacts to historic resources.
28	Martin Luther King Play Area Improvements	271 Mackubin St.; Saint Paul, MN 55102	Generally supports goals of City's comprehensive plan	4.4, 2.2	Located just outside the Hill Historic District. Likely no impacts to historic resources.
29	McMurray Fields Improvements	1155 W. Jessamine Ave.; Saint Paul, MN 55103	Generally supports goals of City's comprehensive plan	5.7, 6.2, 1.1	Likely no impacts to historic resources.
30	Merriam Park Master Plan Implementation Planning	2000 St Anthony Ave, St Paul MN 55104	Generally supports goals of City's comprehensive plan	5.3, 2.11	Likely no impacts to historic resources.
31	Outdoor Children's Play Space Repairs and Maintenance	East 4th Street and Sibley Street	Significantly addresses specific goals of City's comprehensive plan	4.4, 5.4, 2.2; also included in Downtown Station Area Plan	This is located within the Lowertown Historic District and any repairs must be reviewed and approved by the HPC.
32	Outdoor Range Septic System	2621 Linwood Avenue		Police facilities are not covered by the Comprehensive Plan	No impacts to historic resources.
	Outdoor Range Upgrade and Security Improvements	2621 Linwood Avenue		Police facilities are not covered by the Comprehensive Plan	Likely no impacts to historic resources.
34	Palace Recreation Center	781 Palace Avenue	Generally supports goals of City's comprehensive plan	5.4, 5.6, 2.2	No impacts to historic resources.
35	Parque Castillo	149 Cesar Chavez St	Generally supports goals of City's comprehensive plan	2.11, 1.6, 2.2, 2.10	No impacts to historic resources.

36	Pedro Park	10th and Robert Streets	Significantly addresses specific goals of City's comprehensive plan	1.1, 2.9; also included in Fitzgerald Park Precinct Plan, Downtown Station Area Plan	The City Warehouse at 100 E. 10th Street was listed in the 2001 Downtown Historic Context Study as "significant" along with the Public Safety Building across the street. The Fitzgerald Park Precinct Plan recommended reuse of the Public Safety Building while designating the area where the City Warehouse sits as a public park. HPC staff at the time was comfortable with that Plan, however, the Public Safety Building is no longer planned for reuse but demolition. With both buildings being removed much of the historic context for this neighborhood will be lost. While this plan follows recommendations set forth in the Plan and Comp Plan, it conflicts with HP1.9, 1.10 and 4.4.
37	Police Impound Lot	830 Barge Channel Road		Police facilities are not covered by the Comprehensive Plan	No impacts to historic resources.
	Police Security Fencing Project	367 Grove, 722 Payne, 389 N. Hamline, 2621 Linwood Ave., 830 Barge Channel Road, 1820 Edgcumbe Road		Police facilities are not covered by the Comprehensive Plan	722 Payne is part of the Hamm Brewery Historic District that is determined eligible for the National Register. The proposal will likely not have any impacts to historic resources.
39	Replace Fire Station 17	1226 Payne Avenue, Saint Paul, MN 55101	Does not support goals of City's comprehensive plan	Fire Department facilities are not addressed in the Comprehensive Plan	Engine Company 17 was built in 1929 and designed by William Selby. The SHPO inventory number is RA-SPC-5529. This station would require additional review to determine eligibility to the National Register. A proposal to replace this building without exploring rehabilitation and an addition conflicts with HP1.9, 1.10, 1.12 and 4.4.
40	Replace Fire Station 7	1038 Ross Avenue, Saint Paul, MN 55106	Does not support goals of City's comprehensive plan	Fire Department facilities are not addressed in the Comprehensive Plan	Engine Company 7 was built in 1930 and designed by Charles A. Bassford. The SHPO inventory number is RA-SPC-3219. This station would require additional review to determine eligibility to the National Register. A proposal to replace this building without exploring rehabilitation and an addition conflicts with HP1.9, 1.10, 1.12 and 4.4.
41	Scheffer Community Center	237 Thomas Avenue, St.Paul, MN 55103	Generally supports goals of City's comprehensive plan	5.4, 5.6, 2.2	Likely no impacts to historic resources.
	Selby Ave. Trolley Tunnel	College Ave. west & Old Kellog Blvd.	Generally supports goals of City's comprehensive plan		Addresses Strategy 7 in the HP Chapter which recommends providing opportunities for education and outreach.
71.5	St. Paul Police Central District Patrol Station	Exact location TBD, north of Pennsylvania Ave bounded by Western to Sylvan and to Maryland		Police facilities are not covered by the Comprehensive Plan	Prior to the decision to construct a new facility, was there a study that included the adaptive reuse of any available historic resources? (HP1.10)

44	Stinson Play Area	Stinson Street and North Chatsworth Avenue	Generally supports goals of City's comprehensive plan	2.2, 4.4, 5.3	Likely no impacts to historic resources.
45	Sun Ray Branch Library	2105 Wilson Avenue 55119		Library facilities are not addressed in the Comprehensive Plan	Likely no impacts to historic resources.
4h	Swede Hollow Park Stream Restoration Project	Swede Hollow Park, East 7th Street and Payne Avenue	Generally supports goals of City's comprehensive plan	3.1, 3.11, 3.12	It is unclear if this project includes the area where the Seventh Street Improvement Arches are located. They are listed on the National Register of Historic Places. If so, there will likely be no impact to that structure, but that should be clarified.
47	Swede Hollow playground	unknown	Does not support goals of City's comprehensive plan	5.3 (improvement decisions should be made based on system-wide evaluation – not identified as need in Parks System Plan); 5.9 (consider all possible facility options for activities, including schools – school playground nearby);	HPC may want to be involved in this planning process
48	System Wide Signage	City Wide	Significantly addresses specific goals of City's comprehensive plan	6.9, 6.15	The HP Chapter recommends a Context Study for Saint Paul Parks, Parkways and Cultural Landscapes to understand the context in which the public park system was developed. This study could provide historic context about park signage and help to inform the new signs. HP3.6.
49	Trillium Site Development	Jackson Street at Maryland and south to Cayuga Street	Significantly addresses specific goals of City's comprehensive plan	3.10, 6.11; included in the Trout Book Greenway Plan	Likely no impacts to historic resources.
50	Victoria Park	Otto Avenue and Shepard Road	Significantly addresses specific goals of City's comprehensive plan	3.10, 1.1	Likely no impacts to historic resources.
51	Wacouta Park	S8th Street and Wacouta St,	Significantly addresses specific goals of City's comprehensive plan	2.2, 2.4, 4.4	Likely no impacts to historic resources.
52	Webster Play Area	707 Holly Ave.	Generally supports goals of City's comprehensive plan	2.2, 4.4, 5.3	This project has already been reviewed and conditionally approved by the HPC.

^{*}HP Strategy 1.11 states that equal consideration be give to projects with historic preservation factors when reviewing all Capital Improvement Budget funding requests. In addition, it states that "All requests for capital improvement funding should consider impacts on historic resources. Projects that adversely affect historic resources should be given lower priority in the funding process."
